Hiring Team

Quantify Analytics Pvt. Ltd.

Ahmedabad, Gujarat, India

Subject: Expression of Interest - Data Analyst Opportunities

Dear Hiring Team,

I am writing to express my strong interest in potential Data Analyst opportunities at Quantify Analytics Pvt. Ltd. While I understand there may not be an active job posting at this time, I wanted to proactively introduce myself, as I greatly admire your organization's work in data-driven decision-making and would welcome the opportunity to contribute.

I bring hands-on experience in data cleaning, statistical analysis, dashboard development, and SQL-based reporting, along with proficiency in Python and visualization tools such as Power BI and Tableau. I am confident that my analytical mindset and technical skill set would allow me to add immediate value to your analytics team.

I have attached my resume for your reference and would be glad to discuss how my background might align with any current or upcoming openings. Thank you for your time and consideration, and I look forward to the possibility of connecting.

Sincerely,

Karandeep Sandul
